A Message from the Historical Society President

Another year has passed, and we reached some new goals for the first time. The membership is up to almost 50 people, our website was started, we completed our first grant project, and have been offered another Grant for 2011. Speaking of Grants, our Grant for 2010, which was a map of the Historic Sites in our area, has grown to include six slideshow presentations as requested by various organizations. Our Vice President Mike Lubrano put together the slide show and has given the presentation to all and any group that has requests it.

As you know, Mastic Beach is now a Village, and our own group member Jamie Reason was appointed as the first Village Historian. We wish Jamie well, and will support him if he needs our help at any time.

At our April meeting we will be drawing up a slate of nominees for the upcoming election of Officers and Trustees in May. The nominations committee is drawing up the list to see who is eligible to "vote", "nominate others", and "be nominated", as per our Constitution and By-laws regulations. Personally, I think I will throw my hat in the ring again for another run as President. Of course anyone who meets the qualifications can also be nominated for this position. All Officer and Trustee positions are up for voting each year.

Well that's it for now. Good luck to all nominees at the election. I am sure we will have another positive year.
